STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers, sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial, for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

HOME BASE WELCOME LAD A06 — Much the best one I've raised so far. Shows promise of maturing into a well-balanced, big bull. His sire is in service in a Coop Grazing Assn. in Canada. His dam, a big, well-balanced cow with length and size, has an outstanding heifer calf now. His Bennett-bred dam and Boa Kae sire should make an excellent cross on Leader 21st cattle. Sire is half-brother to my herd bull that weighed 2324 lbs. at 42 months. Have used this bull on some heifers and he is a sure breeder. His half-brother was champion and top-selling at \$1660 at the recent Missouri State Sale. This bull is even better. Semen tested.

L P P CORONET RODNEY 21st — A \$3,000 winning sire and a dam closely related to the sire of the Champion and Reserve Champion sale females at the 1972 Denver Sale. Comes from one of the best families of cows ever developed in the Thieman herd. Has a wealth of polled breeding. 560 lbs. at 205 days; 1003 lbs. at 365 days.

The 1970 National Polled Shorthorn Congress Sale broke all records of previous Congress Sales in its 30-year history. An all-time overall record of \$1,083 was established on 45 1/3 lots. An all-time bull average was made. The top-selling bull in the 1971 Congress brought \$3,150 and the top female \$2,150, with 42 2/3 lots averaging \$821.

This will be another GREAT CONGRESS! BE SURE TO ATTEND AND SUPPORT THIS, YOUR NATIONAL EVENT OF THE YEAR!

C-O-L MAJESTIC LEADER — Sired by T P S Coronet Leader 21st whose son was "Sire of the Year" in 1971, and he himself in 1970. This bull is one of the great sons of Leader 21st and could very well be a future "Sire of the Year." This dark roan is well balanced and possesses a lot of style and character of a stock bull. His dam was purchased from Edgar Philpott by Martin Nold and she is also by Leader 21st. This makes him a line bred 21st, which Gordons consider a successful cross.
